**PRELIMINARY PROXY STATEMENT — SUBJECT TO COMPLETION****BEIGENE, LTD.****PROXY STATEMENT  
FOR 2020 EXTRAORDINARY GENERAL MEETING OF SHAREHOLDERS****GENERAL INFORMATION**

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors (the “Board of Directors”) of BeiGene, Ltd. (the “Company”) for use at its 2020 Extraordinary General Meeting of Shareholders (the “EGM”) to be held on May 14, 2020 at 8:30 a.m. local time at the offices of Mourant Governance Services (Cayman) Limited, at 94 Solaris Avenue, Camana Bay, Grand Cayman KY1-1108, Cayman Islands, for the purpose of considering and, if thought fit, passing the resolutions specified in the Notice of EGM. This Proxy Statement is being mailed to shareholders on or about \_\_\_\_\_, 2020.

We intend to hold the EGM in person at the location specified above. However, we are actively monitoring the coronavirus (“COVID-19”) situation and we are sensitive to the public health and travel concerns our shareholders may have and the protocols that national and local governments may impose. In the event it is not possible or advisable to hold the EGM at the location specified above in person, we will announce on our EGM website ([www.beigene.com](http://www.beigene.com)), the website of the U.S. Securities and Exchange Commission ([www.sec.gov](http://www.sec.gov)) and the website of Hong Kong Exchanges and Clearing Limited ([www.hkexnews.hk](http://www.hkexnews.hk)) alternative arrangements for the meeting as promptly as practicable, which may include holding the meeting at an alternative location or by means of remote communication. Please monitor our EGM website, and the websites of U.S. Securities and Exchange Commission and Hong Kong Exchanges and Clearing Limited for updated information. If you are planning to attend the EGM, please check the websites one week prior to the meeting date. As always, we encourage you to vote your shares prior to the EGM.

For a proxy to be effective, it must be properly executed and dated and lodged (together with a duly signed and dated power of attorney or other authority (if any) under which it is executed (or a notarized certified copy of such power of attorney or other authority)) at the offices of our registrar in the Cayman Islands, Mourant Governance Services (Cayman) Limited (the “Cayman Registrar”) (for holders of our ordinary shares registered on our Cayman Islands register of members (the “Cayman Register”)) or at the offices of our registrar in Hong Kong, Computershare Hong Kong Investor Services Limited (the “HK Registrar”) (for holders of our ordinary shares registered on our Hong Kong register of members (the “HK Register”)) so as to be received no later than 4:00 a.m. Cayman Islands Time / 5:00 p.m., Hong Kong Time, on May 11, 2020. Each proxy properly tendered will, unless otherwise directed by the shareholder, be voted:

1. FOR the grant of an option to acquire shares to Amgen Inc. (“Amgen”) to allow Amgen to subscribe for additional shares under a specific mandate in an amount necessary to enable it to increase (and subsequently maintain) its ownership at approximately 20.6% of the Company’s outstanding share capital on an ongoing basis, up to an aggregate of 75,000,000 ordinary shares during the option term, pursuant to the terms of the Amendment No. 2 dated March 17, 2020 (the “Second Amendment”) to the Share Purchase Agreement dated October 31, 2019 (the “Share Purchase Agreement”), as amended, by and between the Company and Amgen; and
2. At the discretion of the proxy holder(s) with regard to all other matters that may properly come before the EGM.

We will pay all of the costs of soliciting proxies. Our directors, officers and employees may also solicit proxies; however, we will not pay them additional compensation for any of these services. Proxies may be solicited by telephone, email, facsimile, personal solicitation or otherwise.

In this Proxy Statement, the terms “we,” “us,” and “our” refer to BeiGene, Ltd., and, unless the context otherwise requires, refer to its subsidiaries as well. The mailing address of our principal executive offices is

c/o Mourant Governance Services (Cayman) Limited, 94 Solaris Avenue, Camana Bay, Grand Cayman KY1-1108, Cayman Islands.

Please note that while our proxy materials are available on our website, no other information contained on the website is incorporated by reference into or considered to be part of this document.

### **Shareholders Entitled to Vote; Record Date**

Only holders of record of our ordinary shares, par value US\$0.0001 per share, at 5:00 p.m. Hong Kong Time / 4:00 a.m. Cayman Islands Time on April 9, 2020 (the “record date”) are entitled to notice of, and to attend and to vote at, the EGM. As of 5:00 p.m. Hong Kong Time on the record date, we had outstanding ordinary shares, all of which are entitled to vote with respect to all matters to be acted upon at the EGM. On the record date, approximately \_\_\_\_\_ of the \_\_\_\_\_ outstanding ordinary shares were held in the name of Citibank, N.A. (the “Depositary”) as depositary for the American Depositary Shares (the “ADSs”), which issues Company-sponsored American Depositary Receipts, evidencing ADSs that in turn each represent 13 of our ordinary shares. Each shareholder of record is entitled to one vote for each ordinary share held by such shareholder.

### **Quorum**

We are an exempted company incorporated in the Cayman Islands with limited liability, and our affairs are governed by our amended and restated memorandum and articles of association, which we refer to as our “articles”; the Companies Law (as amended) of the Cayman Islands, which we refer to as the “Cayman Companies Law”; and the common law of the Cayman Islands.

The quorum required for a general meeting of shareholders at which an ordinary resolution is proposed consists of such shareholders present in person or by proxy who together hold shares carrying the right to at least a simple majority of all votes capable of being exercised on a poll. The quorum required for a general meeting at which a special resolution is proposed consists of such shareholders present in person or by proxy who together hold shares carrying the right to at least two-thirds of all votes capable of being exercised on a poll.

### **Voting**

An ordinary resolution to be passed by the shareholders requires the affirmative vote of a simple majority of the votes cast by the shareholders entitled to vote who are present in person or by proxy at a general meeting, while a special resolution requires the affirmative vote of at least two-thirds of the votes cast by the shareholders entitled to vote who are present in person or by proxy at a general meeting (except for certain types of winding up of the Company, in which case the required majority to pass a special resolution is 100%). Both ordinary resolutions and special resolutions may also be passed by a unanimous written resolution signed by all the shareholders of our Company, as permitted by the Cayman Companies Law and our articles. A special resolution is required for important matters such as a change of name and amendments to our articles. Our shareholders may effect certain changes by ordinary resolution, including increasing the amount of our authorized share capital, consolidating and dividing all or any of our share capital into shares of larger amounts than our existing shares and cancelling any authorized but unissued shares.

Proposal 1 of this Proxy Statement is an ordinary resolution. The quorum required for the EGM consists of shareholders present in person or by proxy who together hold shares carrying the right to at least a simple majority of all votes capable of being exercised on a poll. Approval of Proposal 1 requires the favorable vote of a simple majority of the votes cast by the shareholders entitled to vote who are present in person or by proxy at the EGM excluding Amgen, which is required to refrain or abstain from voting. Broker non-votes and abstentions with respect to Proposal 1 will not be treated as votes cast for this purpose and, therefore, will not affect the outcome of the vote.

Persons who hold our ordinary shares directly on the Cayman Register on the record date (“Cayman record holders”) must either (1) return a form of proxy (a) by mail or by hand to the offices of the Cayman

Registrar: Mourant Governance Services (Cayman) Limited, 94 Solaris Avenue, Camana Bay, Grand Cayman KY1-1108, Cayman Islands, or (b) by email at BeiGene@mourant.com; or (2) attend the EGM in person to vote on the proposals.

Persons who hold our ordinary shares directly on the HK Register on the record date (“HK record holders,” and together with the Cayman record holders, “record holders”) must either (1) return a form of proxy by mail or by hand to the offices of the HK Registrar: Computershare Hong Kong Investor Services Limited, 17M Floor, Hopewell Centre, 183 Queen’s Road East, Wanchai, Hong Kong; or (2) attend the EGM in person to vote on the proposals.

Persons who own our ordinary shares indirectly on the record date through a brokerage firm, bank or other financial institution, including persons who own our ordinary shares in the form of ADSs through the Depository (“beneficial owners”), must return a voting instruction form to have their shares or the shares underlying their ADSs, as the case may be, voted on their behalf. Brokerage firms, banks or other financial institutions that do not receive voting instructions from beneficial owners may either vote these shares on behalf of the beneficial owners if permitted by applicable rules or return a proxy leaving these shares un-voted (a “broker non-vote”).

ADS holders are not entitled to vote directly at the EGM, but the Deposit Agreement, dated as of February 5, 2016, as amended (the “Deposit Agreement”), by and among the Depository, the Company and the holders of ADSs permits registered holders of ADSs as of the record date to instruct the Depository how to exercise their voting rights pertaining to the ordinary shares so represented. The Depository has agreed that it will endeavor, insofar as practicable and permitted under applicable law and the provisions of the Deposit Agreement, to vote (in person or by delivery to the Company of a proxy) the ordinary shares registered in the name of the Depository in accordance with the voting instructions received from the ADS holders. If the Depository does not receive instructions from a holder, such holder shall be deemed, and the Depository shall (unless otherwise specified in the notice distributed to holders of ADSs) deem such holder, to have instructed the Depository to give a discretionary proxy to a person designated by us to vote the ordinary shares represented by such holders’ ADSs, provided that no such discretionary proxy may be given by the Depository with respect to any matter to be voted upon that we inform the Depository that (a) we do not wish such proxy to be given, (b) substantial opposition exists, or (c) the rights of holders of ordinary shares may be materially adversely affected. In the event that the instruction card is executed but does not specify the manner in which the ordinary shares represented are to be voted (i.e., by marking a vote “FOR,” “AGAINST” or any other option), the Depository will vote in respect of each proposal as recommended by the Board of Directors as described in the Notice of the EGM. Instructions from the ADS holders must be sent to the Depository so that the instructions are received by no later than 10:00 a.m. New York Time on May 6, 2020.

Abstentions and broker non-votes will be counted for the purpose of determining the presence or absence of a quorum, but will not be counted for the purpose of determining the number of votes cast on a given proposal.

We have retained the Cayman Registrar to hold and maintain our Cayman Register and the HK Registrar to hold and maintain our HK Register. The Cayman Registrar and the HK Registrar will be engaged by us to take delivery of completed proxy forms posted to them in accordance with the details above.

We encourage you to vote by proxy by mailing or emailing or sending by hand an executed form of proxy in accordance with the instructions and deadlines above. Voting in advance of the meeting will ensure that your shares will be voted and reduce the likelihood that we will be forced to incur additional expenses soliciting proxies for the EGM. Any record holder of our ordinary shares may attend the EGM in person and may revoke the enclosed form of proxy at any time by:

- executing and delivering to the Cayman Registrar or the HK Registrar, as applicable, a later-dated proxy by mail or email or by hand pursuant to the instructions above until 4:00 a.m. Cayman Islands Time / 5:00 p.m. Hong Kong Time on May 11, 2020; or
- voting in person at the EGM.

Beneficial owners of our ordinary shares and ADSs representing our ordinary shares who wish to change or revoke their voting instructions should contact their brokerage firm, bank or other financial

institution or the Depository, as applicable, for information on how to do so. Beneficial owners who wish to attend the EGM and vote in person should contact their brokerage firm, bank or other financial institution holding our ordinary shares on their behalf in order to obtain a “legal proxy” which will allow them to both attend the meeting and vote in person. Without a legal proxy, beneficial owners cannot attend or vote at the EGM because their brokerage firm, bank or other financial institution may have already voted or returned a broker non-vote on their behalf. Record holders of ADSs who wish to attend the EGM and vote in person should contact the Depository (and beneficial owners wishing to do the same should contact their brokerage firm, bank or other financial institution holding their ADSs) to cause their ADSs to be cancelled and the underlying shares to be withdrawn in accordance with the terms and conditions of the Deposit Agreement so as to be recognized by us as a record holder of our ordinary shares.

### **No Appraisal Rights**

Our shareholders have no rights under the Cayman Companies Law or under our articles to exercise dissenters’ or appraisal rights with respect to the proposals being voted on.

### **Expenses of Solicitation**

We are making this solicitation and will pay the entire cost of preparing and distributing the proxy materials and soliciting votes. If you choose to access the proxy materials over the Internet, you are responsible for any Internet access charges that you may incur. Our officers, directors and employees may, without compensation other than their regular compensation, solicit proxies through further mailings, personal conversations, facsimile transmissions, emails or otherwise. Proxy solicitation expenses that we will pay include those for preparation, mailing, returning and tabulating the proxies.

### **Procedure for Submitting Shareholder Proposals**

The Cayman Companies Law provides shareholders with only limited rights to requisition a general meeting and does not provide shareholders with a right to put any proposal before a general meeting. However, these rights may be provided in a company’s articles of association. Our articles allow our shareholders holding in aggregate not less than one-tenth of the voting rights of issued shares and entitled to vote at general meetings to requisition an extraordinary general meeting of our shareholders, in which case our Board of Directors is obliged to convene an extraordinary general meeting and to submit the resolutions put forward to a vote at such meeting. Additionally, under our articles, at a properly requisitioned extraordinary general meeting, our shareholders will have right to propose resolutions with respect to the election, appointment or removal of directors. Our articles provide no other right to put any proposals before annual general meetings or extraordinary general meetings. As a Cayman Islands exempted company, we are not obligated by law to call shareholders’ annual general meetings. However, our corporate governance guidelines require us to call such meetings every year to the extent required by the listing rules of any stock exchange on which our ordinary shares or ADSs are traded.

Shareholders may present proper proposals for inclusion in our proxy statement and for consideration at our next annual general meeting of shareholders by submitting their proposals in writing to us in a timely manner. In order to be considered for inclusion in the proxy statement for the 2020 annual general meeting of shareholders, shareholder proposals must be received at our principal executive offices no later than December 31, 2019, and must otherwise comply with the requirements of Rule 14a-8 of the U.S. Securities Exchange Act of 1934, as amended (the “Exchange Act”). Any shareholder proposal for the annual general meeting of shareholders in 2020, which is submitted outside the processes of Rule 14a-8, shall be considered untimely unless received by the Company in writing no later than March 15, 2020. If the date of the annual general meeting is moved by more than 30 days from the date contemplated at the time of the previous year’s proxy statement, then notice must be received within a reasonable time before we begin to print and send proxy materials. If that happens, we will publicly announce the deadline for submitting a proposal in a press release or in a document filed with the U.S. Securities and Exchange Commission (“SEC”) and announced in Hong Kong via the website of Hong Kong Exchanges and Clearing Limited ([www.hkexnews.hk](http://www.hkexnews.hk)). A copy of all notices of proposals by shareholders should be sent to us at BeiGene, Ltd., c/o Mourant Governance Services (Cayman) Limited, 94 Solaris Avenue, Camana Bay, Grand Cayman KY1-1108, Cayman Islands.

**Director Nominations by Shareholders**

Any shareholder wishing to recommend a director candidate for consideration by the Nominating and Corporate Governance Committee should provide the following information within the timeframe set forth by our articles and SEC rules to BeiGene, Ltd., c/o Mourant Governance Services (Cayman) Limited, 94 Solaris Avenue, Camana Bay, Grand Cayman KY1-1108, Cayman Islands, Attention: Secretary: (a) the name and address of record of the shareholder; (b) a representation that the shareholder is a record holder of our securities or, if the shareholder is not a record holder, evidence of ownership in accordance with Rule 14a-8(b)(2) of the Exchange Act; (c) the candidate's name, age, business and residential address, educational background, current principal occupation or employment, and principal occupation or employment for the past five years; (d) a description of the qualifications and background of the candidate that addresses the criteria for board membership approved by our Board of Directors; (e) a description of all arrangements or understandings between the shareholder and the candidate; (f) the consent of the candidate (i) to be named in the proxy statement for our next general meeting and (ii) to serve as a director if elected at that meeting; and (g) and any other information regarding the candidate that is required to be included in a proxy statement filed pursuant to SEC rules and the Rules Governing the Listing of Securities (the "HK Listing Rules") on The Stock Exchange of Hong Kong Limited (the "HKEx"). The Nominating and Corporate Governance Committee may seek further information from or about the shareholder making the recommendation, the candidate, or any such other beneficial owner, including information about all business and other relationships between the candidate and the shareholder and between the candidate and any such other beneficial owner.

**Results of EGM**

Results of the EGM will be posted on the website of the Company ([www.beigene.com](http://www.beigene.com)) and on the website of Hong Kong Exchanges and Clearing Limited ([www.hkexnews.hk](http://www.hkexnews.hk)) upon the conclusion of the EGM and on the website of the SEC ([www.sec.gov](http://www.sec.gov)) in a Current Report on Form 8-K filed by us within four business days of the conclusion of the EGM.

**LETTER FROM THE BOARD OF DIRECTORS**

, 2020

*To the Shareholders*

Dear Sir/Madam,

**ISSUE OF ADDITIONAL SHARES UNDER SPECIFIC MANDATE AND CONNECTED  
TRANSACTIONS IN RELATION TO THE SECOND AMENDMENT****INTRODUCTION**

Reference is made to the announcement of BeiGene, Ltd. (the “Company”) dated March 18, 2020 published by the Company via the HKEx whereby the Company announced that the Company entered into a further amendment dated March 17, 2020 (the “Second Amendment”) to amend the Share Purchase Agreement dated October 31, 2019, as amended by Amendment No. 1 dated December 6, 2019 (collectively, the “Share Purchase Agreement”) by and between the Company and Amgen Inc. (“Amgen”). Pursuant to the Share Purchase Agreement, on January 2, 2020, the Company allotted and issued to Amgen 15,895,001 ADSs, representing 206,635,013 ordinary shares of the Company, for aggregate gross proceeds of approximately US\$2.78 billion at a subscription price of US\$13.45 per Share (equivalent to US\$174.85 per ADS). Pursuant to the Second Amendment, Amgen will have an option (the “Direct Purchase Option”) to subscribe for additional shares of the Company (the “Additional Shares”) in an amount necessary to enable it to increase (and subsequently maintain) its ownership at approximately 20.6% of the Company’s outstanding share capital. The Additional Shares will be issued under a specific mandate to be sought from the independent shareholders at the EGM to authorize the Board of Directors to allot and issue the Additional Shares pursuant to the Second Amendment.

The purpose of this Proxy Statement is to provide you with (i) information on the Second Amendment; (ii) a letter from the Independent Board Committee; (iii) a letter from the Independent Financial Adviser; (iv) other information as required under the HK Listing Rules; and (v) the notice of the EGM.

**SECOND AMENDMENT**

In order to account for periodic dilution from the issuance of its shares under the Company’s equity incentive plans and/or issuance in other circumstances, on March 17, 2020 (US time), the Company entered into the Second Amendment. Pursuant to the Second Amendment, Amgen will have a Direct Purchase Option to subscribe for Additional Shares in an amount necessary to enable it to increase (and subsequently maintain) its ownership at approximately 20.6% of the Company’s outstanding share capital (the “Maintainance Threshold”). The Direct Purchase Option is exercisable on a monthly basis but only if Amgen’s interest in the outstanding share capital of the Company at the monthly reference date is less than 20.4% as a result of the issuance of new shares pursuant to the Company’s equity incentive plans and/or issuance in other circumstances (including but not limited to the Company issuing new shares as consideration for an acquisition or pursuant to a financing). The monthly reference date is the day on which the Company’s ADSs are trading on NASDAQ immediately preceding the first day of each calendar month during the term of the Direct Purchase Option. There are no other circumstances in which the Direct Purchase Option will be exercisable. The purpose of the increase in the Maintainance Threshold from 20.5% to 20.6% is to create an additional buffer for Amgen to maintain equity method accounting. The aggregate number of Additional Shares that may be purchased pursuant to the Direct Purchase Option shall not exceed 75,000,000 ordinary shares during the term of the Direct Purchase Option, as further described below.

The purchase price for the Additional Shares will be the volume-weighted average price of the Company’s ADSs on NASDAQ for the 90 days preceding the last trading day of the prior month. The formula for determining the purchase price was determined after arm’s length negotiations between the Company and Amgen with reference to, among other things, the prevailing market price of the Company’s ADSs, the trading performance of the Company’s ADSs and current market conditions. The consideration payable

by Amgen for its initial purchase of shares under the Share Purchase Agreement will not be adjusted to take into account the grant of the Direct Purchase Option.

The exercise period of the Direct Purchase Option will commence on the first day of the month following shareholders' approval of the Second Amendment and a specific mandate under which the Additional Shares will be allotted and issued (the "Specific Mandate") and will terminate on the earliest of: (a) the date on which Amgen owns less than 20% of the outstanding share capital of the Company as a result of Amgen's sale of shares; (b) at least 60-day advance written notice from either Amgen or the Company that such party wishes to terminate the Direct Purchase Option; or (c) the third anniversary of the date on which the exercise period of the Direct Purchase Option commences. The Direct Purchase Option has no vesting period.

For illustration purpose only, assuming the Direct Purchase Option were exercised in full on the date of the Second Amendment at an assumed purchase price of US\$13.01 per ordinary share or US\$169.19 per ADS:

- (a) the maximum amount of the Additional Shares would theoretically represent 6.9% of the issued outstanding capital of the Company as enlarged by the allotment and issue of the maximum amount of the Additional Shares;
- (b) the gross proceeds from the allotment and issue of the Additional Shares equal to 0.1% of the issued outstanding capital of the Company would theoretically be approximately US\$13,118,300 (approximately HK\$101,916,073), and the gross proceeds from the allotment and issue of the maximum amount of the Additional Shares would theoretically be approximately US\$976,084,000 (approximately HK\$7,583,196,596), which would be expected to be used to fund the Company's business operations, including commercialization of approved products, research and development of product candidates and other general corporate purposes;
- (c) the purchase price would theoretically represent approximately 26.4% premium to the closing price of the shares as quoted on the HKEx on the date of the Second Amendment and a premium of approximately 714% to the Company's net assets attributable to the shareholders on a per share basis as disclosed in the consolidated financial results of the Company for the year ended December 31, 2019; and
- (d) the aggregate nominal value of the maximum amount of the Additional Shares would be US\$7,500 (approximately HK\$58,268).

The Additional Shares will, when allotted and issued for each exercise of the Direct Purchase Option, rank *pari passu* amongst themselves in all respects, and with all other shares in issue at the time of allotment and issue of the Additional Shares.

The Board of Directors are of the view that the Second Amendment, including the purchase price for each purchase of the Additional Shares, is fair and reasonable and in the interests of the Company and the shareholders of the Company as a whole.

Except as disclosed above and other amendments incidental to the grant of the Direct Purchase Option, the Second Amendment contains no other amendments to the Share Purchase Agreement.

#### **EQUITY FUNDRAISING ACTIVITIES IN THE PAST TWELVE MONTHS**

On January 2, 2020, the Company allotted and issued to Amgen 15,895,001 ADSs, representing 206,635,013 ordinary shares of the Company, for aggregate gross proceeds of approximately US\$2.78 billion at a subscription price of US\$13.45 per Share (equivalent to US\$174.85 per ADS), in accordance with the Share Purchase Agreement as amended by the Amendment No. 1 dated December 6, 2019, and pursuant to the specific mandate obtained from the Shareholders at the extraordinary general meeting held on December 27, 2019.

Except as disclosed above, the Company has not completed any equity fundraising activities in the twelve-month period immediately before March 18, 2020.

**LETTER FROM THE INDEPENDENT FINANCIAL ADVISER**

, 2020

To: Independent Board Committee and the Independent Shareholders

Dear Sir or Madam,

**ISSUE OF ADDITIONAL SHARES UNDER SPECIFIC MANDATE AND CONNECTED TRANSACTIONS IN RELATION TO THE SECOND AMENDMENT**

**INTRODUCTION**

We refer to our appointment as the Independent Financial Adviser to advise the Company's independent board committee (the "Independent Board Committee") and the independent shareholders (the "Independent Shareholders") on the fairness and reasonableness of the terms of the Second Amendment and the transactions contemplated thereunder, as well as whether the Second Amendment is on normal commercial terms and in the ordinary course of business of the Company, and to make a recommendation to the Independent Shareholders in respect thereof. Details of the Second Amendment are set out in the Letter from the Board contained in the Proxy Statement, of which this letter forms part. Capitalized terms used in this letter shall have the same meanings as defined in the Proxy Statement unless the context requires otherwise.

Amgen is a substantial shareholder holding approximately 20.5% of the issued share capital of the Company following its entering into the Share Purchase Agreement with the Company on October 31, 2019, as amended on December 6, 2019 (the "Subscription"). On October 31, 2019, the Company and its wholly-owned subsidiary BeiGene Switzerland GmbH also entered into a collaboration agreement with Amgen to collaborate on the commercialization of the certain products in the PRC and the clinical development of certain pipeline products (the "Collaboration Agreement"). The Subscription was completed on January 2, 2020 following the satisfaction of all the conditions precedent set out in the Share Purchase Agreement, including independent shareholder approval. Please refer to the announcements of the Company dated November 1, 2019, December 9, 2019 and January 3, 2020 and the circular of the Company dated November 29, 2019 for further details of the Share Purchase Agreement and the Collaboration Agreement.

On March 17, 2020, the Company entered into the Second Amendment, pursuant to which Amgen will have a Direct Purchase Option to subscribe for Additional Shares in an amount necessary to enable it to increase (and subsequently maintain) its ownership at approximately 20.6% of the Company's outstanding share capital. As Amgen, being a substantial shareholder of the Company, is a connected person of the Company, the transactions contemplated under the Second Amendment constitute a connected transaction of the Company under Chapter 14A of the HK Listing Rules.

The Independent Board Committee, comprising all the independent non-executive directors of the Company, namely Mr. Timothy Chen, Mr. Donald W. Glazer, Mr. Michael Goller, Mr. Ranjeev Krishana, Mr. Thomas Malley, Mr. Jing-Shyh (Sam) Su and Mr. Qingqing Yi, has been formed to advise the independent shareholders in relation to the Second Amendment and the transactions contemplated thereunder.

We have sought and obtained confirmation from the Company that no material facts have been omitted from the information supplied and opinions expressed to us. We have no reason to believe any material information has been withheld. We consider that we have reviewed sufficient information to reach the conclusion set out in this letter. We have not, however, carried out any independent verification of the information provided to us by the directors, nor have we conducted any form of in-depth investigation into the business and affairs or prospects of the Company.

Apart from normal professional fees for our services to the Company in connection with our appointment described above, no arrangement exists whereby we will receive any fees or benefits from the Company, its subsidiaries, directors, chief executive, substantial shareholders or any associates of any of them. During the two-year period immediately preceding the Latest Practicable Date, we were appointed as an independent financial adviser to the Company to advise on the Collaboration Agreement and the transactions contemplated thereunder, details of which were set out in the proxy statement of the Company dated November 29, 2019. Given our independent role and normal professional fees received from the Company under the past engagement, we do not consider that our independence to act in present appointment is affected by that prior engagement.

## PRINCIPAL FACTORS AND REASONS CONSIDERED

In formulating our opinion and recommendation in relation to the Second Amendment, we have taken into account the following principal factors and reasons:

### Background information of the Company

The Company is a global, commercial-stage, research-based biotechnology company focused on molecularly-targeted and immuno-oncology cancer therapeutics. With a team of over 3,500 employees in China, the United States, Australia and Europe, the Company is advancing a pipeline consisting of novel oral small molecules and monoclonal antibodies for cancer. The Company is also working to create combination solutions aimed to have both a meaningful and lasting impact on cancer patients. In the United States, the Company markets and distributes BRUKINSA™ (zanubrutinib) and in China, the Company markets its anti-PD-1 antibody tislelizumab, and REVLIMID® (lenalidomide) and VIDAZA® (azacitidine) under a license from Celgene Logistics Sàrl, a Bristol-Myers Squibb company\*, and plans to market XGEVA® (denosumab) under a collaboration with Amgen\*\*.

- REVLIMID® and VIDAZA® are registered trademarks of Celgene Corporation, a Bristol-Myers Squibb company.

\*\* XGEVA® is a registered trademark of Amgen.

### Background information on Amgen

Amgen is a company incorporated in the State of Delaware with limited liability and is listed on the NASDAQ (Trading Symbol: AMGN). Amgen is committed to unlocking the potential of biology for patients suffering from serious illnesses by discovering, developing, manufacturing and delivering innovative human therapeutics. This approach begins by using tools like advanced human genetics to unravel the complexities of disease and understand the fundamentals of human biology. Amgen focuses on areas of high unmet medical need and leverages its expertise to strive for solutions that improve health outcomes and dramatically improve people's lives. A biotechnology pioneer since 1980, Amgen has grown to be one of the world's leading independent biotechnology companies, has reached millions of patients around the world and is developing a pipeline of medicines with breakaway potential.

### The Share Purchase Agreement

#### *Subject matter*

Pursuant to the Share Purchase Agreement entered into on October 31, 2019 and amended on December 6, 2019, Amgen conditionally agreed to subscribe for, and the Company conditionally agreed to

allot and issue to Amgen, subscription shares representing 20.5% of the Company's outstanding share capital as of a date four business days prior to the closing of the Subscription (the "Subscription Shares") at US\$13.45 per Subscription Shares (equivalent to US\$174.85 per ADS).

To facilitate the allocation of the Company's securities to Amgen up to a maximum amount of shares in order to allow Amgen to maintain the same shareholding percentage in the Company (based on its then-outstanding issued shares of the Company) before and after a securities offering conducted pursuant to the Company's general mandate, the Company obtained from the HKEx a waiver from Rule 13.36(1) of the HK Listing Rules and the independent shareholder approval requirements set out in Chapter 14A of the HK Listing Rules subject to a number of conditions.

As stated in the proxy statement of the Company dated November 29, 2019, China is one of the world's largest and fastest growing pharmaceutical markets and the demand for new oncology treatments in China is particularly acute. The Company is working to become a leading global innovative biotech company. As part of the Company's strategy, in addition to advancing its own pipeline, the Company has also focused on strengthening capabilities in key areas such as clinical development and commercialization, which laid the foundation for the collaboration with Amgen on the potential commercialization in China of KYPROLIS<sup>®</sup>, BLINCYTO<sup>®</sup> and XGEVA<sup>®</sup> and the development and commercialization of the broad portfolio of pipeline assets. The Company is a leader in China for conducting oncology clinical development and has a robust and established commercial infrastructure in place. The Company believes that the entering of the Share Purchase Agreement and the Collaboration Agreement (collectively the "Transactions") grant it the co-development opportunities in, and ultimately the China commercial rights to, a broad portfolio of Amgen's oncology assets. The Company can leverage its existing commercial infrastructure and clinical capability significantly to expand its commercial and clinical portfolio in China. The Company believes that the Transactions provide access to the Company's clinical trial capabilities in China to support the global development of select candidates from Amgen's early oncology portfolio

and better integration of Amgen's global clinical development capabilities with China. The Transactions will further solidify the Company's leadership in oncology clinical development and commercialization in China. The Transactions are expected to meaningfully grow Amgen's presence in China, and allow for potential China commercialization of KYPROLIS<sup>®</sup>, BLINCYTO<sup>®</sup> and XGEVA<sup>®</sup>. The Company expects that the Transactions will provide potential short-term and long-term financial benefits to the Company.

At the extraordinary general meeting of the Company held on December 27, 2019, the ordinary resolution concerning the Share Purchase Agreement and the transactions contemplated thereunder, among others, was approved by an overwhelming majority (99.9964%) of the shareholders entitled to vote who were present in person or by proxy at the general meeting. We believe such voting results indicate shareholders' strong support for the collaboration between the Company and Amgen and the latter becoming a significant shareholder of the Company.

#### **The Second Amendment and the key terms of the Direct Purchase Option**

Pursuant to the Second Amendment, Amgen will have a Direct Purchase Option to subscribe for Additional Shares in order to account for periodic dilution from the issue of Shares under the Company's equity incentive plans and/or issuance in other circumstances (including but not limited to the Company issuing new Shares as consideration for an acquisition or pursuant to financing). Principal terms of the Direct Purchase Option are set out as follows:

Term:	Exercise period will commence on the first day of the month following shareholders' approval of the Second Amendment (the "Option Commencement Date") and will terminate on the earliest of: <ul style="list-style-type: none"> <li>(i) the date on which Amgen owns less than 20% of the outstanding share capital of the Company as a result of Amgen's sale of shares;</li> <li>(ii) at least 60-day advance written notice from either Amgen or the Company that such party wishes to terminate the Direct Purchase Option; or</li> <li>(iii) the third anniversary of the date of the Option Commencement Date</li> </ul>
Exercise condition:	Exercisable on a monthly basis if Amgen's interest in the outstanding share capital of the Company at the monthly reference date is less than 20.4%
Total number of Additional Shares	An amount necessary to enable Amgen to increase (and subsequently maintain) its ownership to approximately 20.6% of the Company's outstanding share capital and in any event, not more than 75,000,000 Shares during the term of the Direct Purchase Option
Purchase price:	Volume-weighted average price of the Company's ADSs on NASDAQ for the 90 days preceding the last trading day of the prior month
Consideration:	Nil
Rights of Additional Shares upon exercise of the Direct Purchase Option	Additional Shares will rank pari passu amongst themselves in all respects, and with all other Shares

For illustrative purpose only, assuming the Direct Purchase Option was exercised in full on the date of the Second Amendment, at an assumed purchase price of US\$13.01 per ordinary share or US\$169.19 per ADS:

- (a) the maximum amount of the Additional Shares would theoretically represent 6.9% of the outstanding share capital of the Company as enlarged by the allotment and issue of the maximum amount of the Additional Shares;
- b) the gross proceeds from the allotment and issue of the Additional Shares equal to 0.1% of the outstanding share capital of the Company would theoretically be approximately US\$13,118,300 (approximately HK\$101,916,073), and the gross proceeds from the allotment and issue of the maximum amount of the Additional Shares would theoretically be approximately US\$976,084,000 (approximately HK\$7,583,196,596), which would be expected to be used to fund the Company's business operations;
- c) the purchase price would theoretically represent approximately 26.4% premium to the closing price of the shares as quoted on the HKEx on the date of the Second Amendment and a premium of approximately 714% to the Company's net assets attributable to the shareholders on a per share basis as disclosed in the consolidated financial results of the Group for the year ended December 31, 2019; and

- d) the aggregate nominal value of the maximum amount of the Additional Shares would be US\$7,500 (approximately HK\$58,268).

According to the Letter from the Board and our discussion with the Company, the primary purpose of the Direct Purchase Option is to provide Amgen a means to maintain its shareholding in the Company, with a view to ensure such shareholding continues to be subject to equity method accounting treatment in accordance with GAAP. From that perspective, the primary economic rationale of the grant of Direct Purchase Option fundamentally differs from that of an ordinary placing of warrants or call options, which is to raise additional capital and broaden shareholder base of a company without any immediate dilutive effect on the shareholding of its existing shareholders.

#### *Term*

Besides termination by 60-day advance notice, the Direct Purchase Option will terminate on the earlier of the date on which Amgen ceases to hold at least 20% of the outstanding share capital of the Company as a result of its sale of shares and the third anniversary of the Option Commencement Date. These two termination events resonate with the objective of permitting Amgen to remain as a significant shareholder holding at not less than 20% of the shareholding in the Company. In this respect, we are of the view that the term of the Direct Purchase Option is fair and reasonable.

#### *Consideration*

In an ordinary fund-raising exercise, an option premium (price of an option) is paid by a buyer to the issuer for obtaining the right to buy (call option) the underlying securities at a specified price. The Direct Purchase Option, in contrast, is an instrument for Amgen to maintain its shareholding in the Company to account for periodic dilution from the issue of shares under the Company's equity incentive plans and/or issuance in other circumstances (including but not limited to the Company issuing new Shares as consideration for an acquisition or pursuant to financing), and an integral part of the Subscription, which has been approved by an overwhelming majority of the shareholders at the latest extraordinary general meeting. We consider it more appropriate to assess the Subscription and the Direct Purchase Option as a whole, and it is fair and reasonable for the Company not to demand from Amgen any consideration for the Direct Purchase Option on a stand-alone basis.

#### *Exercise price*

To assess the fairness and reasonableness of the exercise price of the Direct Purchase Option, we search for recent comparable transactions, involving issuers listed on the HKEx granting share options to their substantial shareholders with the purpose and intent of protecting their proportionate level of shareholdings. Only one transaction with such characteristics has been identified. On June 15, 2015, certain subscribers entered into a subscription agreement with Mascotte Holdings Limited (Stock Code: 136), under which the subscribers were granted new warrants with exercise prices representing a discount of approximately 97.9% to its last trading price. The warrants were designed to enable the subscribers to maintain an aggregate shareholding of 75.0% in the company in the event that their shareholding is diluted following the allotment and issue of new shares as a result of the exercise of one or more of the company's existing warrants.

Given the lack of comparable transactions, in order to assess the fairness and reasonableness of the exercise price in question, we have extended the aforesaid selection criteria to include issues of options and warrants (i) by issuers who are listed on the main board of the HKEx; (ii) under a specific mandate by way of placing and/or subscription; and (iii) which have obtained shareholders' approval at a general meeting between March 18, 2019 and March 18, 2020, being the date one year preceding the date of the announcement of the Second Amendment (the "Review Period"), and have not lapsed up to the Latest Practicable Date.

To the best of our knowledge, we have identified a complete list of four comparable transactions (the “Comparable Transactions”) during the Review Period based on the aforesaid selection criteria for analysis purpose:

	<u>Date of announcement</u>	<u>Date of circular</u>	<u>Stock code</u>	<u>Company name</u>	<u>Premium/ (Discount) of the exercise price over/(to) closing price per share on the last trading day</u>	<u>Basis of exercise price</u>
1	November 10, 2019	December 30, 2019	777	NetDragon Websoft Holdings Limited	13.40%	10% premium over the 60-day volume-weighted average price of the shares
2	July 31, 2019	December 10, 2019	756	Summi (Group) Holdings Limited	(1.88)%	the group’s financial position, the historical share price, the liquidity, the number of warrant shares and the market sentiment
3	July 26, 2019	October 31, 2019	3395	Persta Resources Inc.	N/A	90% of the volume-weighted average price preceding the exercise date
4	September 22, 2019	November 5, 2019	1176	Zhuguang Holdings Group Company Limited	46.80%	50% premium over the 20 days average closing price of the shares
				<b>Average</b>	<b>19.44%</b>	
				<b>Median</b>	<b>13.40%</b>	
				<b>Maximum</b>	<b>46.80%</b>	
				<b>Minimum</b>	<b>(1.88)%</b>	
				<b>The Company</b>	<b>26.4%<sup>(note)</sup></b>	The purchase price for the Additional Shares will be the volume-weighted average price of the Company’s ADSs for the 90 days preceding the last trading day of the prior month

Note: theoretical exercise price assuming the Direct Purchase Option were exercised in full on the date of the Second Amendment at an assumed purchase price of US\$13.01 per Share or US\$169.19 per ADS

Based on the table above, the premium represented by the Direct Purchase Option falls within Comparable Transactions’ range of a discount of approximately 1.88% to a premium of approximately

46.80%, and is above their average premium of 19.44%. This is, however, for illustrative purpose only, as the exercise price of the Direct Purchase Option is a variable, the premium or discount to closing price of which can only be determined at the point of exercise in the future.

Despite the variability of the Direct Purchase Option's exercise price, we note that two of the Comparable Transactions made reference to historical volume-weighted average prices of the underlying shares to determine their exercise prices, which reflects the actual average price of a stock adjusted to reflect the volume of shares traded at each price transacted during the period rather than basing it on a single closing price or average unadjusted price. It is an important indicator of a stock's market price as it eliminates the vulnerability of closing price manipulation. We are of the view that the formula for determining the exercise price of the Direct Purchase Option is fair and reasonable.

Except as disclosed in the Proxy Statement and other amendments incidental to the grant of the Direct Purchase Option, the Second Amendment contains no other amendments to the Share Purchase Agreement.

### Equity incentive plans

As shown in the table above, the shareholding of the existing public shareholders will be diluted from approximately 31.1% to approximately 26.7% and 25.7% in Scenario 1 and Scenario 2, respectively.

We note that as at February 29, 2020, Amgen would only require 44,288,129 Additional Shares under the Direct Purchase Option to maintain its 20.6% interest in the Company upon full issue of new Shares under the Company's Equity Incentive Plans, whereas the maximum aggregate number of Additional Shares during the term of the Direct Purchase Plan is 75,000,000. Taking into consideration (i) the number of shares reserved under the Equity Incentive plans may be increased in future (subject to shareholders' approval) and cause further dilution to Amgen's interest in the Company's issued share capital; (ii) the Direct Purchase Option is also intended to cover issuance of new Shares in other circumstances, including but not limited to consideration shares for acquisitions (iii) the upper limit imposed under the Direct Purchase Option only permits Amgen to subscribe for such number of Additional Shares that is necessary to enable it to increase (and subsequently maintain) its ownership to approximately 20.6% of the Company's outstanding share capital if it is less than 20.4% at the monthly reference date, we are of the view that the maximum

number of 75,000,000 Additional Shares during the term of the Director Purchase Plan, which serves as a buffer under points (i) and (ii) and an additional upper limit under point (ii), is fair and reasonable.

## CONCLUSION

In assessing the Second Amendment, we have considered the following reasons and factors:

- a) the Company has obtained from the HKEx a waiver from Rule 13.36(1) of the HK Listing Rules and the independent shareholder approval requirements set out in Chapter 14A of the HK Listing Rules subject to the certain conditions, to allow Amgen to maintain the same shareholding percentage in the Company (based on its then-outstanding issued shares of the Company) before and after a securities offering conducted pursuant to the Company's general mandate. It would only be logical and commercially sensible for the Company to also implement the Second Amendment, the purpose and intent of which is to allow Amgen to maintain the same shareholding percentage in the Company (based on its then-outstanding issued shares of the Company) before and after issue of new Shares under the Company's Equity Incentive Plans;
- b) As shown from our analysis of the possible dilution effect under the Company's Equity Incentive Plans and the Second Amendment, the shareholding of the existing public shareholders would be diluted from approximately 31.1% to approximately 26.7% in Scenario 1 (assuming full issue of new Shares under the Company's Equity Incentive Plans only). On the other hand, dilution effect for the public shareholders in Scenario 2 (assuming full issue of new Shares under the Company's Equity Incentive Plans and Amgen to fully exercise the Direct Purchase Option under the Second Amendment) is relatively insignificant as the shareholding of the public shareholders would only be diluted further from approximately 26.7% to approximately 25.7%; and
- c) we have assessed the principal terms of the Direct Purchase Option, namely, its duration, total number of Additional Shares, exercise price and consideration, and are of the view that they are fair and reasonable.

## OPINION AND RECOMMENDATION

Based on the foregoing, we consider that (i) the terms of the Second Amendment are on normal commercial terms and fair and reasonable so far as the Independent Shareholders are concerned; and (ii) the entering into of the Second Amendment, although not conducted in the ordinary and usual course of business of the Company, is in the interests of the Company and its shareholders as a whole. We, therefore, advise the Independent Board Committee to recommend that the Independent Shareholders vote in favor of the resolution to approve the Second Amendment.

Yours faithfully,  
For and on behalf of

He has over 38 years of experience in corporate finance.*

**PROPOSAL 1**  
**APPROVAL OF THE SECOND AMENDMENT**

The Company proposes an ordinary resolution at the EGM to approve the grant of an option to acquire shares to Amgen to allow Amgen to subscribe for Additional Shares under the Specific Mandate in an amount necessary to enable it to increase (and subsequently maintain) its ownership at approximately 20.6% of the Company's outstanding share capital, up to an aggregate of 75,000,000 ordinary shares during the option term, pursuant to the terms of the Second Amendment. The purchase price for the Additional Shares will be determined by the volume-weighted average price of the Company's ADSs on NASDAQ for the 90 days preceding the last trading day of the prior month. The Additional Shares shall be allotted and issued under the Specific Mandate.

**Why We Need Shareholder Approval**

We are seeking shareholder approval in order to comply with Chapter 14A of the HK Listing Rules and to obtain the Specific Mandate under which the Additional Shares will be allotted and issued pursuant to the Second Amendment. Amgen is a substantial shareholder of the Company under the HK Listing Rules and therefore a connected person of the Company under Chapter 14A of the HK Listing Rules. As a result, the transactions contemplated under the Second Amendment constitute a connected transaction of the Company under Chapter 14A of the HK Listing Rules. The transactions contemplated under the Second Amendment are subject to the reporting, announcement and independent shareholders' approval requirements under Chapter 14A of the HK Listing Rules.

**Vote Required and Board of Directors' Recommendation**

Approval of Proposal 1 requires the favorable vote of a simple majority of the votes cast by the shareholders entitled to vote who are present in person or by proxy at the EGM excluding Amgen, which is required to refrain or abstain from voting. Broker non-votes and abstentions with respect to Proposal 1 will not be treated as votes cast for this purpose and, therefore, will not affect the outcome of the vote.

***The Board of Directors recommends that shareholders vote FOR the approval of grant of an option to subscribe Additional Shares to Amgen pursuant to the terms of the Second Amendment and of the Specific Mandate.***

**TRANSACTION OF OTHER BUSINESS**

The Board of Directors knows of no other matters that will be presented for consideration at the EGM as of the date of this Proxy Statement. If any other matters are properly brought before the EGM, the person(s) named in the accompanying proxy intend to vote on such matters in accordance with their best judgment.

#### **DIRECTORS' SERVICE CONTRACTS**

Mr. John V. Oyler and the Company and certain of our subsidiaries entered into employment agreements on April 25, 2017, pursuant to which Mr. Oyler serves as our Chief Executive Officer. Mr. Oyler currently receives a base salary of US\$700,000, which is subject to review and adjustment in accordance with the Company's policy. Mr. Oyler's base salary is allocated between the Company and certain of our subsidiaries. Mr. Oyler is eligible for an annual cash merit bonus, with a current target level of 65% of his base salary, based on performance as recommended by our Compensation Committee and determined by our Board of Directors. Mr. Oyler's employment agreements also provide for certain transportation and international travel benefits and tax equalization payments. His employment agreements have an initial three-year term and automatically renew for additional one-year terms unless either party provides written notice of nonrenewal. Mr. Oyler's employment can be terminated at will by either party. Upon termination of Mr. Oyler's employment for any reason, we will pay (i) accrued but unpaid base salary during the final payroll period of employment; (ii) unpaid vacation time; (iii) unpaid annual bonus from the previous calendar year; and (iv) any business expenses incurred, documented and substantiated but not yet reimbursed (collectively, the "Final Compensation"). If Mr. Oyler's employment is terminated by us other than for "cause" (as defined in his employment agreements) or if Mr. Oyler terminates his employment for "good

reason” (as defined in his employment agreements), Mr. Oyler is entitled to (i) the Final Compensation, (ii) a lump sum equal to the base salary divided by 12, then multiplied by the Severance Period (as defined below), (iii) the post-termination bonus calculated based on the target bonus for the year and the number of days passed through the date of termination, (iv) a US\$20,000 one-time bonus and (v) acceleration of the vesting schedule of his equity grants by 20 months. The “Severance Period” is 20 months; provided that if Mr. Oyler’s employment is terminated without cause or for good reason during the initial three-year term, the Severance Period will be the greater of 20 months or the number of the months remaining in the initial three-year term; provided further that if Mr. Oyler’s employment terminates during the 12-month period following a “change in control” (as defined in his employment agreements), then the Severance Period will be 24 months. His employment agreement provides that all unvested equity awards will immediately vest upon a “change in control.” Mr. Oyler’s employment agreements also prohibit Mr. Oyler from engaging in certain competitive and solicitation activities during his employment and for 18 months after the termination of his employment.

Except as disclosed above, as at February 29, 2020, none of the directors had entered, or was proposing to enter, into any service contract with the Company which is not determinable within one year without payment of compensation other than statutory compensation.

However, as these non-executive directors are neither our controlling shareholders nor members of our executive management team, we do not believe that their interests in such companies as directors would render us incapable of carrying on our business independently from the other companies in which they may hold directorships from time to time.
