Explanation of Responses:

- 1. The number of securities underlying each option and the exercise price therefor are represented in ordinary shares. The exercise price is equal to 1/13 of the closing price of our American Depositary Shares ("ADSs") on the date of grant, as each ADS represents 13 ordinary shares.
- 2. The option shall become exercisable in full upon the earlier to occur of the first anniversary of the grant date or the date of the next annual general meeting; provided, however, that all vesting shall cease if the Reporting Person resigns from the board of directors or otherwise ceases to serve as a director, unless the board determines otherwise. Unvested securities are subject to accelerated vesting upon a change in control or certain termination events.
