#### Explanation of Responses:

- (1) The number of securities underlying each option and the exercise price therefore are represented in ordinary shares. The exercise price is equal to 1/13 of the closing price of our American Depositary Shares ("ADSs") on the date of grant, as each ADS represents 13 ordinary shares.
- (2) The options vest over a four-year period as follows: 25% on the first anniversary of the date of grant, with the remaining shares vesting in 36 equal successive monthly installments on the last day of each month thereafter. Unvested options are subject to accelerated vesting upon certain termination events following a change in control.
