#### Explanation of Responses:

- (1) Each American Depositary Share ("ADS") represents 13 Ordinary Shares.
- (2) The exercise price is reflected in ADSs.
- (3) The sale was effected pursuant to a Rule 10b5-1 trading plan adopted by the Reporting Person.
- (4) The price reported in Column 4 is a weighted average price. These shares were sold in multiple transactions at prices ranging from \$139.5334 to \$140.5333, inclusive. The Reporting Person has provided to the Issuer, and undertakes to provide to the staff of the Securities and Exchange Commission or any security holder of the Issuer, upon request, full information regarding the number of American Depositary Shares, sold at each separate price.
- (5) The number of securities underlying each option and the exercise price therefore are represented in ordinary shares. The exercise price is equal to 1/13 of the closing price of our ADSs on the date of grant, as each ADS represents 13 ordinary shares.
- (6) These securities vest over a four-year period as follows: 25% on the first anniversary of September 2, 2016 with the remaining shares vesting in 36 equal successive monthly installments thereafter, subject to continued service. All unvested shares subject to this option are subject to accelerated vesting upon certain termination events.
