Explanatory Note

As previously disclosed on January 29, 2021, BeiGene, Ltd. (the “Company” or “BeiGene”) filed a listing application (the “Listing Application”) for a proposed public offering of the Company’s ordinary shares and initial listing of such shares on the Science and Technology Innovation Board (the “STAR Market”) of the Shanghai Stock Exchange (the “STAR Offering”). The STAR Offering will be conducted within the People’s Republic of China (the “PRC”) and such shares will be issued to and subscribed for by investors in Renminbi (“RMB”) in the PRC (the “RMB Shares”) and listed and traded on the STAR Market pursuant to the general mandate to issue shares, which was approved by the shareholders at the Company’s 2021 annual general meeting of shareholders on June 16, 2021 (the “Proposed Issue of RMB Shares”). The RMB Shares will not be fungible with the ordinary shares of the Company listed on the Hong Kong Stock Exchange or with the American Depositary Shares representing the Company’s ordinary shares listed on the NASDAQ Global Select Market. The number of RMB Shares (including the over-allotment option) to be issued will not exceed 132,313,549 ordinary shares, representing no more than 10% of the sum of the total number of issued ordinary shares of the Company as of January 7, 2021 (the day before the date of the board of directors’ initial approval of the STAR Offering) and the total number of RMB Shares to be issued in the STAR Offering. The Listing Application was prepared in accordance with the listing rules of the STAR Market and the applicable securities laws and regulations of the PRC.

Item 8.01. Other Events.

On June 28, 2021, the Listing Committee of the STAR Market held a meeting in which the Company’s Listing Application was reviewed and approved, and the result has been published in Chinese language only on the website for the Review and Approval of the Issuance and Listing of Stocks on the Science and Technology Innovation Board of the Shanghai Stock Exchange (<http://kcb.sse.com.cn>) on June 28, 2021. The result and other information contained on the Shanghai Stock Exchange’s website are not part of this Current Report on Form 8-K and shall not be deemed filed or furnished by the Company with the U.S. Securities and Exchange Commission, nor shall they be deemed incorporated by reference in any filing by the Company under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended.

The consummation of the STAR Offering is subject to, among other things, market conditions, and additional applicable regulatory approvals, including registration granted by the China Securities Regulatory Commission.

Forward-Looking Statements

This Current Report on Form 8-K contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995 and other securities laws, including statements regarding the Proposed Issue of RMB Shares under the general mandate to be listed on the STAR Market. Actual results may differ materially from those indicated in the forward-looking statements as a result of various important factors, including the possibility that the conditions, including market conditions and necessary regulatory approvals, will not be met and that BeiGene will be unable to consummate the Proposed Issue of RMB Shares; the possibility that BeiGene will not realize the expected benefits of the transaction; BeiGene’s ability to demonstrate the efficacy and safety of its drug candidates; the clinical results for its drug candidates, which may not support further development or marketing approval; actions of regulatory agencies, which may affect the initiation, timing and progress of clinical trials and marketing approval; BeiGene’s ability to achieve commercial success for its marketed medicines and drug candidates, if approved; BeiGene’s ability to obtain and maintain protection of intellectual property for its medicines and technology; BeiGene’s reliance on third parties to conduct drug development, manufacturing and other services; BeiGene’s limited experience in obtaining regulatory approvals and commercializing pharmaceutical products and its ability to obtain additional funding for operations and to complete the development and commercialization of its drug candidates and achieve and maintain profitability; the impact of the COVID-19 pandemic on the BeiGene’s clinical development, regulatory, commercial, and other operations, as well as those risks more fully discussed in the section entitled “Risk Factors” in BeiGene’s most recent quarterly report on Form 10-Q as well as discussions of potential risks, uncertainties, and other important factors in BeiGene’s subsequent filings with the U.S. Securities and Exchange Commission. All information in this Current Report is as of the date of this Current Report, and BeiGene undertakes no duty to update such information unless required by law.

The Proposed Issue of RMB Shares under the general mandate is subject to, among other things, market conditions and necessary regulatory approvals, and thus may or may not proceed. Shareholders and potential investors of the Company should be aware that there is no assurance that the Proposed Issue of RMB Shares will materialize or as to when it may materialize. Shareholders and potential investors of the Company should exercise caution when dealing in the securities of the Company.

Further announcement(s) or filings will be made by the Company in accordance with the applicable laws and regulations on any material updates and progress in connection with the Proposed Issue of RMB Shares as and when appropriate. This announcement is for information purposes only and does not constitute any invitation or offer to acquire, purchase or subscribe for the securities of the Company.
